## About this policy

**PLEASE NOTE: This is a travel insurance policy and not private medical insurance; so, there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

- The policy is a legal contract between you and **us**, and is subject to the exclusive jurisdiction of the courts of your **home country**. **We** will settle all claims under the **home country's** law and all our correspondence with you will be in English.
- No alterations and/or additions to the printed terms and conditions of your policy are valid unless made in writing by **us**.
- The policy document comprises of separate sections that state what events you are covered for and any applicable limits, conditions and exclusions. If your circumstances do not fit those described, then there is no cover in place. Only events that happen during the **period of insurance** and for which the appropriate premium has been paid will be considered.
- The policy is based on indemnity, and will only respond to unexpected and unforeseeable events.
- You are expected to take reasonable care of yourself and your possessions, and act as if uninsured at all times. **We** will not consider claims that have arisen due to reckless behaviour or feature inflated costs.
- You must supply **us** with all the documents and information **we** may reasonably need, and not pay or agree to pay costs that another party is seeking to claim from you that **we** have not authorised.
- **We** may take over and deal with, in your name, the defence/settlement of any claim made under the policy; and take proceedings in your name, but at **our** expense, against the responsible party to recover, for **our** benefit, the amount of any payment made under the policy.
- **We** will only pay a proportionate amount of the claim where there is other insurance in force covering the same risk and you will provide details of such other insurance.
- **We** will not pay medical costs in excess of customary and reasonable levels of charging.
- **USA Medical Costs:** Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. As this policy covers customary and reasonable medical expenses, **we** will not pay excessive or inflated charges for your treatment so it is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to your **home country**. They may engage the services of collection agencies but any correspondence should simply be sent on to **us**, unanswered: there is no lawful action that can be taken which **we** cannot step in and take over on your behalf.

### Important meanings in this section:

**period of insurance** - the trip dates shown on the insurance schedule or if the policy is a multi-trip, a trip that does not fall outside of the period of cover or exceed the stated limit. **home country** - either the United Kingdom, the Channel Islands or Isle of Man.

## What you should do if you need out-patient treatment or treatment for a minor injury or illness

**PLEASE NOTE:** This is a travel insurance policy and not private medical insurance; so, there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.

### FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on your foot? We have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe in many countries across the globe. This means you can quickly access support with minor ailments without disrupting your trip too much. You can access this facility free of charge by calling **+44 161 468 3793**

### YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVILANT OF 999

Customer should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

### OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment you are unlikely to find occurring in state facilities. If you would like to know more about our approach to receiving the best medical care overseas and repatriation planning, please visit our website <https://philosophies.tifgroup.co.uk/>

### IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

**In European Union Countries** – if you present yourself at a public facility you are strongly advised to show your EHIC/GHIC.

**In Australia** – you are strongly advised to enrol for Medicare, and have it accepted.

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy excess will be waived from any claim you may make. If you are unable to use the EHIC/GHIC, you will have to pay the medical facility and submit a claim when you get home, the policy excess will then be applied.

**In Turkey, Cyprus, Egypt and Bulgaria** – we utilise the services of Global Excel who can arrange for the bill to be paid directly. You simply fill in a Global Excel form in the medical facility to confirm the nature of the treatment received and pay your policy excess to the facility. They will then send the remaining bill directly to Global Excel for payment. More information can be found here [www.globalexcel.com](http://www.globalexcel.com)

**Everywhere else in the World** – if there is not suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

**PLEASE NOTE:** If the costs are likely to exceed £500 or you are admitted to hospital, you should call us on **+44 (0) 203 829 6745**

## WHAT TO DO IF YOU HAVE A MEDICAL EMERGENCY WHILE YOU ARE AWAY

**PLEASE NOTE: This is a travel insurance policy and not private medical insurance; so, there is no cover for any medical expenses incurred in private facilities if medically capable public facilities are available.**

**IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999**

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

**YOU SHOULD THEN CALL US ON +44 (0) 203 829 6745**

Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and your recovery.

### IT IS IMPORTANT THAT YOU ARE AWARE OF THE FOLLOWING:

#### Medical Treatment

- There is not cover for:
  - routine, non-emergency or elective treatment
  - or treatment that can wait until you return home.
- Our doctors are not treating you; they are not responsible or in control of the clinical care you are receiving in a medical facility.
- In some instances, you may need to be moved from one local facility to another larger/more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible you may have to wait as you would in your local NHS hospital unless you require critical care.
- Once you are discharged from hospital this does not always mean you are fit to fly home – For example, if you were in the UK and suffered the same injury/illness, then you would not consider flying out on holiday so soon after surgery/treatment/incident.
- Some medical facilities will raise charges that are far in excess of customary and reasonable; we will deal with such bills directly and there is no need for you to pay them. You simply need to pass any correspondence about such bills to us to ensure we can provide full financial protection.

#### Repatriation (bringing you home)

- Coming home straight away is not always an option even if you are considered 'fit to fly' by the treating doctor.
- We have a medical team with experience in aviation medicine who will advise on both the timing and method of repatriation which is best suited to your individual needs and your recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if your health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

## Your health – When buying the policy and for the duration of the policy

Have you or anyone named on the policy ever been diagnosed with or treated for any of the following?

- Heart or circulatory conditions
- Strokes or high blood pressure
- Breathing/Respiratory conditions (including Asthma)
- Cancer (even if now in remission)
- Diabetes (including diet controlled)
- Irritable bowel disease (such as crohn's, or diverticulitis)

Are you or anyone named on the policy waiting for any tests, treatment or a non-routine hospital appointment?

Have you or anyone named on the policy seen a medical professional in the last 2 years?

If the answer is **YES** to any of the above **you must declare them to us; you cannot choose what you declare and what you don't.**

We need to understand your health as a whole to be able to assess the risk you present in the lead up to your trip and while you are travelling. If any of the above apply to you and you do not declare them, any claim you make whether it is related or not, may only be paid in part or declined altogether.

Similarly, if there is a **CHANGE IN YOUR HEALTH BEFORE YOUR TRAVEL**, such as new or increased medication, any referral for tests or a specialist appointment, or a new diagnosis/course of treatment, you must tell us or again any claim you make whether it is related or not, may only be paid in part or declined altogether.

If we feel that anything you tell us might increase the risk and chance of a claim, we may ask you to pay an additional premium, apply an increased excess, change the policy terms or withdraw cover altogether.

**To declare an existing condition(s) or a change in health please call us on: 0330 880 3628  
8.30am-6pm Monday- Friday, 8.30am-5pm Saturday, 10am-3pm Sunday**

Should your medical situation change before you travel, and we are unable to provide cover, we will either allow you to make a claim for cancellation or, for **single trip policies** we will refund 50% of the total policy premium you have paid, and for **multi-trip policies** we will refund 1/12<sup>th</sup> of the total policy premium you have paid for each full calendar month remaining on the policy.

## Cancellation of the policy

### If the policy does not meet your needs

If you find that the terms and conditions of the policy do not meet your needs and you no longer wish to be covered by the policy, you must tell us within 14 days of purchasing the policy.

- we will refund your premium in full provided you have not travelled or claimed, or intend to claim, on the policy.

### If you ask us to cancel the policy after 14 days

We will consider a partial refund should you wish to cancel your policy outside of the 14-day cooling off period provided you have not travelled or claimed, or intend to claim, on the policy.

**Single Trip Policies** – If we agree to a refund, then we will refund 50% of the total policy premium you have paid.

**Multi-Trip Policies** – If we agree to a refund, we will refund 1/12<sup>th</sup> of the total policy premium you have paid for each full calendar month remaining on the policy.

### When we might cancel your policy

We reserve the right to give 7 days' notice of cancellation of this policy, without a refund, by recorded delivery to you at your last known address in the event of the following circumstances:

- fraud or suspected fraud;
- misleading information or deliberate misrepresentation;
- abusive behaviour to our staff.

You will not be covered for any **directly or indirectly related claims** arising from the health of a **travel companion**, a **family member**, a **close business colleague**, or the person you were going to stay with if at the time your policy was issued you were aware they had health problems that were likely to significantly worsen during the **period of insurance**.

**directly or indirectly related claims** – a medical problem that is more likely to happen because of another medical problem they already have.

- not accept liability for any injury or damage you might cause to a third party or their property;

## Ready to go?

**So, you're all packed and just about ready to go. We have included a check list to help ensure that you haven't forgotten anything!**

- **Check that your travel insurance covers the whole duration of your trip and any activities that you plan on trying.**
- **Check your travel documents:**
  - Is your passport up to date, and is it valid for a least 6 months after the date you are due to come home?
  - Make two photocopies of your passport, tickets and travel insurance documents and leave one set at home (maybe let family/friends know where they are kept in case of an emergency). Take the other set with you but keep them separate from the originals.
  - Make sure you have important contact numbers in your phone just in case.
- **Check with your GP to ensure that you have had any necessary vaccinations and/or medications.**
- **Know your destination:**
  - It is always worth checking out any local laws and customs before you get there.
  - Pack a guide book.
  - Check the Foreign, Commonwealth & Development Office (FCDO) website [www.gov.uk/fcdo](http://www.gov.uk/fcdo)
- **Tell family/friends about your trip and make sure they know where you are going and how to get hold of you in an emergency.**
- **When you are abroad:**
  - Make sure your travel documents, passport, money and insurance documents are kept in a safe place.
  - Stick to safe filtered water and keep yourself well hydrated when you are out in the sun.
  - Always wear protective sunscreen when you are out and about, even if you are on the ski slopes! (but make sure the one you buy doesn't contain the chemical Oxybenzone as it bleaches the sea coral).
  - Check out local information in your guidebook or online so that you are aware of any local holidays and nearby public medical facilities.
  - It is always a good idea to keep all your receipts just in case you need them for future reference.
